## Sanitary Certificate

Sub:- Inspection of sanitary conditions of Jitpur Academy

I visited Jitpur Academy , Po- Jitpur, Dist Dhanbad, 828309, Jharkhand, dated on 27<sup>th</sup> April 2018 to see the sanitary conditions of the institution. On my inspection , I find Latrines :- 07 Nos. , Toilets :- 10 Nos. , Drinking water tapes :- 09 Nos. and aqua guard that are sufficient enough to meet up with the sanitary needs. There are two sweeper in the school to keep the campus and toilets clean. Bleaching powder is sprinkled everyday in toilets.

The prevailing conditions are satisfactory to my observation.

Thanking you
